

## NCTest: Chromebook App

- Chromebooks can be used to take online tests administered using the **NCTest App**.
- The NCTest App has been pushed to all WCPSS managed Chromebooks.
- Unlike using NCTest on laptops, no generic login is required.
- Contact the WCPSS testing office with any questions regarding online testing.

1. Power on the Chromebook.

2. **Do NOT** log into the Chromebook when prompted.

3. Click **Apps** on the bottom left of the screen.

**Note:** Contact WCPSS Help Desk if Apps does not appear.

4. Click **NCTest**.

5. Continue with your normal testing procedure.
